Wounded Prophet-Michael Ford 2009-03-04 Henri Nouwen, a Dutch Roman Catholic priest, was one of the most beloved and important spiritual writers of the twentieth century. Since his death in 1996, his influence as a teacher and author is considered equal to, or greater than, that of the century's great spiritual writers, C. S. Lewis and Thomas Merton. Although Nouwen could be radically revealing about his personal thoughts and struggles, there are nonetheless gaps in our understanding of who he was. With Wounded Prophet, readers are given the first extensive look into this man who touched so many, not only through his own words but, most powerfully, through the eyes of those around the world who knew Nouwen best. While researching this compelling biography, BBC producer Michael Ford conducted wide-ranging interviews with Nouwen's friends, colleagues, and family members. What he discovered was far more compelling than what he had imagined.

Though Nouwen was indeed the generous and loving man many thought he was, he was also never able to find consistent peace in his own life. Tormenting him were profound feelings of anxiety, insecurity, and loneliness. This portrait gives an honest and well-balanced account of Nouwen’s life that leaves no stone unturned, investigating his childhood, his family, his sexuality, and his life as a priest and member of the L’Arche Daybreak community in Toronto. From the Trade Paperback edition.

What was it about this man and his work that so resonated with the American psyche over the past thirty years? In The Spiritual Legacy of Henri Nouwen, Deidre LaNoue analyzes Nouwen’s voluminous writings in the context of his life and times, providing a key to his more than forty individual books as well as a cogent summary of his contribution to the spiritual lives of millions of people. The book includes a complete bibliography of Nouwen’s writings as well as a Scripture index of his books.

Beloved Dust-Robert Davis Hughes, III 2008-08-15 There has been an explosion of interest in classical Christian spirituality over the past 50 years. While a great deal of work has been done on the history of Christian spirituality, there has been no full-scale theological and pastoral treatment of Christian spiritual life since before the Second Vatican Council. Beloved Dust takes a realistic, contemporary view of human being as entirely physical (dust) and shows it immersed in three great tides of the Holy Spirit, the traditional threefold rhythm of conversion, transfiguration, and glory. What is unique about Robert Hughes’s approach is the effort to root spiritual theology in the doctrine of the Spirit, an outgrowth of the renewed interest in the Trinity among both Catholics (Karl Rahner) and Protestants (Robert Jenson). Also striking is Hughes’s emphasis on “ordinary life”. Here as a married Episcopal priest/theologian who brings a distinctly “Protestant” perspective to a traditionally “Catholic” enterprise for so long the preserve of celibate priests. What he presents is a new presentation of the traditional teaching in the light of contemporary knowledge and practice.

Life of the Beloved asks how one can live a spiritual life in a Western secular culture. The greatest challenge, concludes Nouwen, is to bridge the gap between secular and sacred within the self as a human being loved by God.

This book gives an honest, in-depth view of his personal journey from his blue-collar childhood to his role as a world-famous spiritual icon.
