Adams, Dolley Madison, Rebecca Gratz, Louise Livingston, Sacagawea, and others—Ladies of Liberty sheds new light on the generation of heroines, reformers, and makers of history. Drawing on personal correspondence, private journals, and other primary sources, many of them previously unpublished, author and renowned political commentator Cokie Roberts brings to life the extraordinary accomplishments of women who laid the groundwork for a better society.

In the tradition of On Writing, this fascinating and intimate account offers readers a rare glimpse into the imagination of a writer. Beattie, whose fiction Vanity Fair has been called “sensationally ambitious and catastrophically self-destructive man,” is a novelist, essayist, and critic. He is the author of thirteen novels, including The World in a Grain of Sand and The Yellow Birds, as well as the recipient of the National Book Critics Circle Award for Fiction and a Guggenheim Fellowship. His novel Mrs. Nixon is a riveting exploration of an elusive American icon and of the fiction writer’s art. Pat Beattie, like many of her generation, Mrs. Nixon, was one of the most significant and influential women of the 20th century.

Nixon remains one of our most mysterious and intriguing public figures, the only modern First Lady who never wrote a memoir. Beattie, like many of her generation, Mrs. Nixon, was one of the most significant and influential women of the 20th century.

Washington became the kind of man who named his dog Sweetlips and hated to leave home. He took up arms against the British only when there was no other way, though he lost more battles than he won. Coe focuses on his activities off the battlefield—like espionage and propaganda. After an unlikely victory in the Revolutionary War, Washington shocked the world by giving up power. He was the only president in American history to have served two terms and to step down after being elected to a third term.
